7. If the prescribed dates is declared holiday due to any reason the next working date shall be the effective date.
8. Tenders submitted telegraphically will not be considered at all and shall be out rightly rejected.
9. The tenderer is advised to visit the site of work, at his own cost, and examine it and its surroundings by itself collect all information that the tenderer considers necessary for proper assessment of the prospective assignment.
10. **The intending tenderer shall fill his offer in the percentage rate above or below on the Haryana Schedule of rates 1988 plus Sanctioned Ceiling Premium as on the date of tender at its appropriate place, signs all pages of the tender documents and initial all the corrections and cuttings. The percentage rate given on HSR 1988 plus sanctioned ceiling premium on the date of tender will also be applicable on the rates of non schedule items mentioned in the DNIT. The tenders in format other than the single percentage tender will not be considered and will be rejected.**
11. Further information can be obtained and a schedule of quantities, the details plans and Specifications can be seen at the Executive Engineer's Office between the hours 9.00 AM. to 5.00 PM. on every working day, except Saturday, Sunday and Public Holidays.
12. **The validity of the tender is 90 (ninety) days from the date of opening of tender**, if a tenderer limits the validity to a lesser period in his tender, his tender is liable to be **rejected**.
13. Each tenderer shall give proof to the entire satisfaction of Executive Engineer that he has in possession of **PWD B&R Specifications Book 1990** as applicable to Haryana and amendment till to date.
14. The Executive Engineer reserves to himself the right of issuing the material to the contractor as per list enclosed for use on work at the places and rates noted against each plus 3% storage charges. The contractor shall be held responsible for obtaining all such material required for work from Board's store as per terms of contract, regardless of fluctuations in the market rates or in the stock issue rates of the Division. No carriage or incidental charges will be borne by the Board for moving the materials beyond the place where the contractor has agreed to take delivery thereof, even if there is a specific provision for the payment of carriage and incidental charges in the preface of Haryana P.W.D. Schedule of Rates, 1988.

Contractor

Witness

Executive Engineer

15. The tenderer shall initial all corrections in his tender as regards percentage, time etc.
16. Acceptance of tender will rest with the competent authority that does not bind itself to accept the lowest tender and reserves to itself the authority to reject any or all the tenders without assigning any reason.
17. The tenderer shall comply with the detailed instructions incorporated in the Tender document.
18. The tenderer whose tender is accepted is required to execute a contract agreement on the prescribe form of contract on non-judicial stamp paper of ₹ **100/-** and to furnish security for the fulfillment of the contract. This security consists of deduction of 10% from the running payment to be made on account of work done. The 2% earnest money (mentioned in paragraph 3 above) will be treated as part of security.
19. If any information furnished by the Contractual Agency is found incorrect at a later date, he shall be debarred from tendering/taking up works in future in Housing Board Haryana. The Board reserves the right to verify the particulars furnished by the Contractual Agency independently.
20. If the tenderer is an individual, he shall sign the tender documents above his full name with seal and current address.
21. If the tenderer is a proprietary firm, the tender documents shall be signed by the proprietor above his full name with seal and the full name of his firm with its current address.
22. If the tenderer is a firm in partnership, the tender documents shall be signed by all the partners of the firm above their full typewritten names and current addresses or alternatively by a person holding power of attorney for the firm. In the later case a certified copy of the power of attorney should accompany the tender document. In both cases a certified copy of the partnership deed and current address of all the partners of the firm with its seal should accompany the tender document.
23. If the tenderer is a Limited Company or a Corporation, the tender documents shall be signed by a person duly authorized by the Company / Corporation. The Officer who will give the power of attorney to that person for signing the tender document shall be competent to give such power of attorney in the Memorandum of Articles of Association. The tender document must accompany the copy of the power of attorney given to that person. The Company / Corporation should also furnish a copy of the Memorandum of Articles of Association duly attested by a Public Notary.

Contractor

Witness

Executive Engineer

24. **Performance certificates** from respective Organizations certifying suitability, technical know how will be submitted duly signed by an officer not below the rank of Executive Engineer or Chief Project Manager or equivalent should sign the certificate.
25. **If the tenderer modifies or withdraws his tender without written consent of the Executive Engineer within a period of ninety days from the date of opening of tender, he will be blacklisted and his earnest money will be forfeited.**
26. The tenderer should submit his offer in two envelopes. Terms and conditions should be put in first envelope subscribed as **“Terms and Conditions Bid”** duly sealed and submitted along with price for withdrawal of each condition. **The earnest money (and tender documents fees in case of documents down loaded from internet) and proof of enlistment of the contractual agency in appropriate category** duly attested will also be enclosed in the **first envelope**. The second envelope subscribed as **“Price Bid”** shall contain **only the rates and no other conditions, clarification or observations**. Second envelope of only those contractors will be opened who will fulfill conditions and eligibility criteria. Any departure from the above would make the tender invalid and it will not be opened and if erroneously opened, will not be considered at all.
27. The authority opening the tender will first of all open the first envelope subscribed as **“Terms and Conditions”** by the tenderers. He will get each conditions priced from the concerned tenderer, if the same has not been priced by the tenderer. If the tenderer fails to price the condition & deviate from the above procedure, his tender would be treated as invalid and it would not be opened or if erroneously opened, shall not be considered at all. Further the tenderer responsible for the material deviation shall be liable to be delisted forthwith without assigning any reason. However, it is made clear that in case the first envelope is not received along with the **“Price Bid”** envelope, it will be presumed that tenderer has no condition to offer and thus it will be treated as nil.
28. In case any tenderer does not comply with the procedure given above and fails to give financial, implications and pricing of his conditions (for the with-drawl of the conditions at variance with stipulations of Tender documents it will be presumed that he is not interested in the work and second envelope i.e. **“Price Bid”** envelope shall be returned to him un-opened & un considered, while opening and deciding the second envelope of other tenderers.
29. No tenderer is allowed to give any fresh conditions/rates that are disadvantageous to the Board after opening Price Bid. Such a condition, if given, makes the tender invalid.

Contractor

Witness

Executive Engineer

30. If a tenderer with draws or modify any of condition that is already priced at the instance of Board then effect of condition as originally offered by the agency will be accounted for, working out the lowest tenderer.
31. The Tenderer shall give the following information along with the tender in the prescribed performa.
- List of works already completed by the tenderer **(Performa 'A')**
 - Declaration regarding works in hand with the tenderer **(Performa 'B')**
 - List of Plant and Machinery in good working order available with the tenderer **(Performa 'C')**
32. The contractual agencies enlisted with organizations other than Housing Board Haryana, and in which favour allotment of work will be approved has to furnish the details of immovable and moveable property owned by them and their residential address supported with documentary proof along with deposit of balance earnest money to make 2% of estimated cost as mentioned in tender notice before issue of allotment letter.
33. The contractor shall associate an eligible Electrical contractor for the execution works. The contractor executing the electrical works under this contract must be enlisted with C.P.W.D, M.E.S, Railways or State P.W.D or any State. The name of the eligible Electrical contractor along with his consent shall be submitted by the main Civil contractor to the concerned Engineer-in-Charge before the award of the tender along with certified copy of Class-A license issued by the competent authority.

(FORM : F-1)**

PERCENTAGE RATE TENDER AND CONTRACT FOR WORKS

1. All works proposed for execution by contract will be notified in form of invitation to tender pasted on a board hung up in the office of Executive Engineer and signed by the Executive Engineer. This form will state the work to be carried out, as well as the date for submitting and opening tenders and the time allowed for carrying out the work also the amount of earnest money to be deposited with tender, and the amount of the security deposit to be deposited by the successful tenderer and percentage, if any to be deducted from bills. Copies of the specifications, designs and drawings, Haryana P.W.D. Schedule of Rates 1988 and any other documents required in connection with the work, signed for the purpose of identification by the Executive Engineer shall also be open for inspection by the contractors at the office of the Executive Engineer during office hours.
2. In the event of the tender being submitted by a firm, it must be signed separately by each member thereof, or, in the event of the absence of any partner, it must be signed on his behalf by a person holding a power of attorney from that partner to do so.
3. Any person who submits a tender shall fill up the usual printed form, stating at how much percentage above or below the rates specified, he is willing to undertake the work. Only percentage above or below on all the Haryana PWD Schedule of rates 1988 plus sanctioned ceiling premium on the date of tender shall be named. Tender which propose any alteration in the work specified in the said form of invitation to tender, or in time allowed for carrying out the work, or which contain any other condition of any sort, will be liable to rejection. No single tender shall include more than one work, but contractor who wish to tender for two or more works shall submit a separate tender for each. Tenderers shall have name and number of the work they refer written outside the envelope.
4. The Executive Engineer or his duly authorised Assistant Engineer will open tenders in the presence of any intending contractor or their authorised agents who may be present at the time and will enter the amount of several tenders in a comparative statement in a suitable form. In the event of a tender being accepted, a receipt for the earnest money forwarded therewith shall thereupon be given to the contractor who shall thereupon for the purposes of identification sign copies of the specification and other documents. In the event of a tender being rejected, the earnest money forwarded with such unaccepted tender shall thereupon be returned to the contractor.
5. The Board may refuse or suspend payments on account of a work when executed by firm or by contractor described in their tender as a firm, unless receipts are signed by all the partners, or one of the partners or some other person produces written authority enabling him to give actual receipts on behalf of the firm.
6. The receipt of an accountant or Clerk for any money paid by the contractor will not be considered as any acknowledgement of payment to the Executive Engineer and the contractor shall be responsible for seeing that he procures receipt signed by the Executive Engineer.
7. The memorandum of work tendered for and the memorandum of materials to be supplied by Housing Board Haryana and their issue rates, shall be filled in and completed in the office of the Executive Engineer before the tender form is issued if a form is issued to an intending tenderer without having been so filled in and completed, he shall request the office to have this done before he completes and delivers his tender.
8. The Executive Engineer shall have the right of rejecting all or any of the tender without assigning any reason.

CONDITIONS OF CONTRACT	
<p>Clause-1 : The person/persons whose tender may be accepted (hereinafter called the persons contractor) shall permit Board at the time of making any payment to him for work done under the contract to deduct security @ 10% from the running payments to be made on account of work done (with the earnest money deposited by him) subject to the maximum 5% of the agreement amount. Such deductions to be held by Board by way of security deposit. All compensation or other sums of money payable by the contractor to Board under the terms of his contract may be deducted from the security deposit or from any sums which may be due or may become due to the contractor by the Board on any account whatsoever and in the event of his security deposit being reduced by reason of any such deduction, the contractor shall within ten days thereafter make good in cash or Board securities endorsed as aforesaid any sum or sums which may have been deducted from his security deposit or raised by sale of his securities deposit or any part thereof.</p>	Security Deposit
<p>Clause 2:- The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the order to commence work is given to the contractor. The work shall throughout the stipulated period of the contract be proceeded with all due diligence (time being deemed to be the essence of the contract on the part of the contractor) and the contractor shall pay as compensation an amount equal to one percent which the Executive Engineer may levy on the amount of the estimated cost of the whole work as shown by the tenderer for every day that the work remains uncommenced or unfinished, after the proper dates. And, further to ensure good progress during the execution of the work the contractor shall be bound, in all cases in which the time allowed for any work exceeds one month to complete one-fourth of the whole of the work before one -fourth of the whole time allowed under the contract has elapsed; one-half of the work before one half of such time has elapsed and 3/4 of the whole work before three fourth of the whole time has elapsed and so on. In the event of the contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to one percent which the Executive Engineer may levy on the said estimated cost as mentioned in the tender notice of the whole work for every day that the due quantity of work remain incomplete provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed ten percent on the estimated cost of work as shown in the tender. The Chief Engineer may on representation from the contractor recommend reduction of the compensation with reasons to be recorded in writing to the Chief Administrator, whose decision shall be final.</p>	Compensation for delay

SCHEDULE OF MATERIAL TO BE ISSUED BY THE DEPARTMENT**MATERIAL STATEMENT for Work of Construction of 225 Nos. (75 GF +75 FF + 75 SF), Triple Storeyed BPL flats including internal PH & EI Services in Sector-28 (M/s Omaxe Ltd.), Rohtak.**

The following material will be issued by the Board to the Contractor at the rates noted below against each material plus 3% (Three percent) storage charges from Housing Board's store/Godown or any other Godown hired by the Board at **Rohtak** for use on aforesaid work.

Sr. No.	Description of Material	Unit	Rates	Remarks
1.	Ordinary Portland Cement or PPC-packed gunny bags / HDPE bags including cost of empty cement bags. Per bag of 50 kg denomination including the cost of container.	Each Bag	₹ 225/- (₹ Two hundred twenty five per bag.)	In case the ceiling premium is revised during the period of approval of DNIT and receipt of tender, the recovery will be made at the rates mentioned in the new ceiling premium list.
2.	Mild Steel / Tor Steel all dias / Fe-500 EQR TMT	Per MT	₹ 45500/- (₹ Forty five Thousand five hundred only.)	

2. The contractor shall be responsible for loss or damage to any material such as cement, steel, tiles issued to him by the Board from any cause whatsoever. In case of material is not utilized for the purpose for which it is issued and is otherwise disposed of by him or spoiled or lost or allowed to get deteriorated, the cost of such quantity of that material shall without prejudice to other rights and remedies available to the Board be recoverable from the contractor at Board's actual purchase rate or the current market rate, whichever is higher.

3. The recovery from contractor for the material consumed in excess or in short of the theoretical requirements as per specification/Haryana PWD. Schedule of Rates 1988 herein stipulated or otherwise fixed by the Executive Engineer other than the variation to be regulated by the proceedings Para-2 shall be dealt with as under:

i) Excessive consumption of material up to 5% (Five percent) of theoretical consumption.

Recovery will be made from contractor at the issue/recovery rate plus three percent storage charges provided in the contract.

ii) Excessive consumption of material more than 5% (Five percent) of theoretical consumption.

If actual consumption exceeds the theoretical consumption by more than 5% then the recovery shall be made for the excessive consumption of material beyond initial 5% at double the issue/recovery rate plus three percent storage charges provided in the contract.

Contractor

Witness

Executive Engineer

iii) Short consumption of material up to 5% (Five percent) of theoretical consumption

The recovery of cost of material saved would be made from the contractor at the Board's at the issue/recovery rate plus three percent storage charges provided in the contract.

iv) Short consumption of material more than 5% (Five percent) of theoretical consumption

In case it is not possible to determine the exact item on which less material has been used, the cost of material shall be recovered from the contractor beyond initial 5% at double the Board's issue/recovery rate plus 3% storage charges. In case it is possible to determine the exact item on which less material has been used it shall be at the discretion of the Board either to reduce the rates of the items of work involved or to reject such item/work where it is felt that the structural of the building has been adversely affected. The decision of the Chief Engineer, Housing Board Haryana shall be final.

4. In case of cement issued by the Board the net weight of 50kgs denomination per bag shall be considered and not the actual weight after losses in handling.
5. A cement register in prescribed form showing day to day receipt/consumption and balance of cement at each work site will be maintained by the HBH, which shall invariably be signed daily by the contractor or his authorised representative in token of its correctness

LIST OF APPROVED MAKE OF VARIOUS ITEMS

Sr. No	ITEMS	MAKE
1	ISI marked PVC Pipe & special for Rain Water	Prince, Finolex, Supreme & Atul
2	ISI marked UPVC Sanitary Pipe SWR grade & special	Prince, Finolex, Supreme & Atul
3	G.I. Pipe	Tata, Jindal (Hissar)
4	G.I. Pipe fitting / Special	Unik, U, SVW, NBR
5	CP Fittings	Essco, Nova, Cera
6.	ISI marked China Wares, Wash Basin & W.C.	Parryware, Hindware, Cera.
7.	Seat Cover, ISI Marked	Comander, Cera, Duralite
8.	PVC Cistern 7.5 liter Capacity (two lever cistern)	Parryware, Hindware, Cera.
9.	ISI marked Stainless steel sink with CP waste	Nirali, Nilkanth, Jayana
10.	Aluminium Door/ Window Fittings	Nulite, Crown, Classic
11.	Paint 1 st Quality	Nerolac, Berger, Asian
12.	Acrylic Paint	Berger, Asian, Nerolac
13.	Washable Oil Bound Distemper	Nerolac, Berger, Asian
14.	Pressed Steel Chowkhat	Any BIS approved
15.	ISI marked Flush door shutters	Minimax , Haryana Ply wood, Swastic Ply Board Ltd. Jaipur
16.	LLDPE Storage tank ISI marked	Atul, Sintex, Diplast
17.	Ceramics glazed floor & wall tiles	Kajaria, Somany, Orient.
18.	Iron hinges	Maruti, Ashish, Garg
19.	Glass	Saint gobain, modiguard
ELECTRICAL ITEMS		
1.	ISI marked rigid PVC pipe & Accessories (Medium quality)	Diplast, Precision, Polycab, Polypack.
2.	ISI marked Cable with copper conductor with fire retarded insulation	Polycab, Hevell's, Delton
3.	ISI marked Piano Type Switches	Anchor, SSK, Hevell's
4.	ISI marked Button holder ; Ceiling Rose ;Bell	Anchor, SSK, Hevell's
5.	ISI marked ACB, MCBs & MCCB, enclosures & ELCBs, VCB, Relay etc.	Hevell's, North West, Standard
6.	PVC Junction Box	Any ISI marked
7.	Bakelite Sheets ISI Marked	V-Hylem, Super Hylem

Note:-

- In respect of materials for which approved makes are not specified above, the same shall be decided by the Chief Engineer, HBH and shall be as per sample got approved from Chief Engineer before procurement. The Contractor shall submit samples of all such materials 3 months before the date of start of such work for approval from the Chief Engineer, HBH.
- The Contractor shall produce samples before procurement of the material for approval for all materials required for works. Samples can be submitted from any of the above makes and they shall confirm to specifications. Make as approved by the Chief Engineer, HBH shall only be used on the works and the decision of the Chief Engineer, HBH regarding make of material shall be final. Only ISI marked will be allowed to use on works.
- In case material bearing BIS/ ISI certification mark are not available, the quality of material shall be judged by standard laid down in the relevant BIS/ ISI specification for which make / brand shall be got approved from Chief Engineer, Housing Board Haryana.

TECHNICAL CONDITIONS, IMPORTANT SPECIFICATIONS AND MODE OF MEASUREMENTS FOR ELECTRICAL WORKS CONDUIT SYSTEM OF WIRING

(FOR BOTH PVC AND STEEL CONDUIT).

1. Before energizing the system, following tests should be given by the contractor, so as to find out that installation conforms to relevant rules/ regulations
Regulations:-
(a) Earth Resistance Tests.
(b) Earth Continuity Tests.
(c) Insulation Tests.
(d) Polarity Tests.
2. The PVC Copper wire unless otherwise specified conforming to present enforced ISI specifications shall only be used at site of works from the list of approved material appended with this DNIT.
3. Looping in system of wiring shall be adopted for all sub-circuit wiring.
4. In the case of bell point, the contractor will install bell push instead of ceiling rose and no compensation will be allowed to contractor.
5. All PVC conduit pipes should be embedded within slab or in walls after making chases and at no point should be provided in the floor.
6. Sizes of M.S. boxes made from 18 gauge MS Sheet as per relevant IS Standard shall only be used .
7. Earthing of metallic cases of bonding with 16 SWG Earth wire to the third pin of plug will be done.
8. G.I. pipes for Earthing for protection of earth wire shall be medium (B Class) quality.
9. The rigid PVC conduit pipes (Medium) to be used on the work should bear the manufacturer's Trade Mark and shall be ISI marked & should be out of the make indicated in the list of material appended with the DNIT. All specials should bear the trade mark of the same manufacturer.
10. The contractor will have to employ licensed supervisor for the execution of Electrical installation works. **The contractor executing the electrical work under this contract will possess 'A' class license from Chief Electrical Inspector to Govt. of Haryana.** However, the contractor can sublet the internal electrical work to a person/agency possessing 'A' class license from the Chief Electrical Inspector to Govt. of Haryana. The contractor is required to submit the test report in respect of each house/dwelling unit for its submission to its Electricity authority.
11. All chases and holes made for wiring or for other purposes shall be refilled properly and neatly for bringing to original finish to the satisfaction of Executive Engineer. If the building construction work is in progress, the electrical work shall proceed along with for the purpose of cutting chases and holes.

Contractor

Witness

Executive Engineer

12. Not more than 5, 10 & 14 copper conductor cable of 1.5 sq. mm; 3, 6 & 12 of 4 Sq mm and 2, 5 & 8 of 6 Sq.mm shall be allowed in 20mm, 25 mm and 32 mm dia. conduit pipe respectively. 4 & 7 copper conductor cable of 10 sq.mm shall be allowed in 25mm & 32 mm dia conduit pipe.
13. The arrangements for the electric supply required for construction purpose shall be made by the contractor at his own cost.
14. Material out of the list attached with D.N.I.T shall only be used at site after getting the same approved from Engineer-in-Charge.
15. Contractor shall be responsible for damage/pilferage of electrical fittings till the houses are handed over.
16. All the round junction box and fan box covers shall be of 3mm thick bakelite sheet and nothing extra shall be paid on this account. The colour of these Bakelite sheet cover shall be as approved by the Engineer-in –Charge.
17. The work will be executed strictly as per PWD specifications unless and otherwise specified.
18. The PVC bend to be used of same make as approved FLRS conduit pipe.
19. The heavy gauge welded conduit pipe (medium) to be used on the work should bear the manufacturer's Trade mark and shall be ISI marked and should be one out of the make indicated in the list of material approved with DNIT.
20. In the item of bell point, the contractor will install bell push, the cost of which will be adjusted against the ceiling rose cost including in the item and nothing extra will be payable on this account and no compensation will be allowed to contractor.

MCBs and enclosure etc. will be installed of one make only and the thickness of CRCA sheets should be 1.20 mm (18 gauge) for SPN box and 1.60 mm (16 gauge) for TPN boxes as permitted by DGS & D.

Definition and measurement of points and wiring of DNIT item No. 1 strictly followed as per Haryana PWD specifications.

Sizes of M.S. boxes for various combinations will be as under:

1 Fan point and upto 2 switches	225 mm x 100 mm x 65 mm
2 Fan point and 2 switches	200 mm x 100 mm x 65 mm
1 Switch	100 mm x 100 mm x 50 mm
2 Switches	175 mm x 100 mm x 50 mm
3 Switches	175 mm x 100 mm x 50 mm
2 Switches and 1 socket 5 amp.	225 mm x 100 mm x 50 mm
3 Switches and 1 socket 5 amp.	225 mm x 100 mm x 50 mm
1 16 amp. switch 1 Nos. 16 amp. socket	225 mm x 100 mm x 65 mm

The size of Bakelite sheet should be 20 mm more than size of M.S. Box & M.S. box of size 75 mm x 75 mm, size of Bakelite sheet shall be 95 mm x 95 mm and so on.

3 mm thick Bakelite sheet of ISI marked of approved will be used for item No. 31.38 i.e. wiring in existing conduit pipe, instead of 5 mm thick Bakelite sheet without any deduction.

69. The Contractor shall submit programme for successful completion of contract within 20 days from the date of award of work, in case he fails to do so Executive Engineer will prepare such programme which shall be binding on him.
70. If the Contractor might be required to work in two or more shifts (including night work) and no claim whatsoever shall be entertained on this account notwithstanding the fact that the contractor will have to pay the labourers and other staff engaged directly or indirectly on the work according to the provisions of the labour regulations and the agreement entered upon and / or extra amounts for any other reasons. Prior approval for such programme be obtained from Executive Engineer.
71. Before commencement of the work, the contractor shall co-relate all the relevant architectural and structural drawings issued for the work and satisfy himself that the information available there from is complete and unambiguous. The figures and written dimensions on the drawings shall supersede the measurement by scale.
72. The discrepancy, if any, shall be brought to notice of Executive Engineer for decision before execution of the work. The contractor, alone shall be responsible for any loss or damage occurring by the commencement of work on the basis of any erroneous and incomplete information.
73. The contractor shall ensure quality construction in a planned and time bound manner. Any sub-standard material/work beyond set out tolerance limits shall be summarily rejected.

Materials and testing of materials for quality :

74. The Executive Engineer reserve to himself the right of issuing the material to the contractor as per list enclosed for use on work at the places and rates noted against each plus 3% storage charges. The contractor shall be held responsible contract, regardless of fluctuations in the market rates or in the stock issue rates of the division. No carriage of incidental charges will be borne by the Board for moving the material beyond the place where the contractor has agreed to take delivery thereof, even if there is a specific provision for the payment of carriage and incidental charges in the preface of Haryana PWD Schedule of Rates 1988.

Executive Engineer

75 Sub-standard Material / Work:

The materials shall be subject to inspection and approval of the Executive Engineer. The contractor shall be required to get necessary test carried out of material/ work from an approved laboratory approved by the Board.

In case any materials/work is found sub-standard the same shall be rejected by the Executive Engineer and the same shall be removed from the site of work within 48 hours, failing which the same shall be got removed by the Executive Engineer at the risk and cost of the contractor without giving any further notice and time.

76 Sample of Materials:

The contractor shall submit to the Executive Engineer samples of all materials for approval before bringing bulk supplies and before commencing the work. These approved samples shall be preserved and retained in the custody of the Executive Engineer as standards of materials and workmanship till the completion of the work. The cost of testing of such samples shall be borne by the contractor and nothing shall be payable on this account. Testing charges, if any, shall be borne by the Board in case material found in accordance with specification otherwise the testing charges shall also be recovered from the contractor, if the samples fail in testing.

The Executive Engineer shall reserve the right for number of samples drawn from the works for its testing from the approved laboratories as he may consider proper. The cost of all such sampling and cartage of all tests shall be borne; by the contractor, in case of failure of samples otherwise such charges will be borne by the Board. In case, the contractor does not comply with any such provisions, the Board shall get it done and the charges shall be recovered from the contractor's dues.

Insurance against Accident for Injury to Workers

77 The Board shall not be liable for, or in respect of any damages or compensation payable at law in respect or in consequence of any accident or injury to any workman or other person in the employment of the contractor or any sub-contractor. The contractor shall indemnify and keep indemnified the Board against all such damages and compensation, and against all claims, proceedings, costs, charges and expenses whatsoever in respect thereof or in relation thereto.

HOUSING BOARD HARYANA CONTRACTORS LABOUR REGULATIONS AND FAIRWAGE CLAUSE

- (1) Short title: These regulations may be called Haryana (1) Public works Department Contractor Labour Regulations.
- (2) Definitions: In the regulations unless other wise expressed or indicated the following words and expressions shall have the meaning hereby assigned to them respectively that is to say.
 - (A) "Labour" means workers employed by Housing Board Haryana contractor directly or indirectly through a sub-contractor other person or by an agent on his behalf.
 - (B) "Fair wages" means wages whether for time or piece work notified at the time of inviting tenders for the work and where such wages have not been so notified, the wages prescribed by the Haryana Public Works Department for the district in which the work is done.
 - (C) "Contractor shall include every person whether a sub-contractor or headman or agent employing labour on the work taken on contract.
 - (D) "Wages" shall have the same meaning as defined in the payment of wages Act., 1936 and include time and piece rate wages.
- (3) Display of notice regarding wages, etc. The contractor shall before he commences his work on contract display and correctly maintain and continue to display and correctly maintain in clean and legible condition in conspicuous place on the work notices in English and in the local Indian language spoken by the majority of the workers giving, the fair wages notified or prescribed by the Haryana Public Works Department and hours of work for which such wages are earned.
- (4) Payment of wages (1) Wages due to every worker shall be paid to him direct. (2) All wages shall be paid in current coin or currency or in both.
- (5) Fixation of wages periods
 - (i) The contractor shall fix wages periods in respect of which the wages shall be payable.
 - (ii) No wages period shall exceed one month.
 - (iii) Wages of every workman employed on the contract shall be paid before expiry of ten days after the last day of the wage period in this respect of which the wages are payable.
 - (vi) When the employment of any worker is terminated by or on behalf of the contractor, the wages earned by him shall be paid before the expiry of the day succeeding the one on which his employment is terminated.
 - (v) All the payments of wages shall be made on working day.

Contractor

Witness

Executive Engineer

- (6) (i) Wages books and Wages slip etc. The contractor shall maintain a wage book of each worker in such form as may be convenient, but the same shall include the particulars.
- a) Rate of daily or monthly wages.
 - b) Nature of work on which employed.
 - c) Total number of days worked during each wage period.
 - d) Total amount payable for the work during each wage period.
 - e) All deduction made from the wages with an indication in each of the ground for which the deduction is made.
- (ii) Wage actually paid for each wages period.
- (iii) The contractor shall also maintain a wages slip for each worker employed.
- (iv) The authority competent to accept the contract may grant an exemption from the maintenance of wages book and wages slip to a contractor who in his opinion may note directly or indirectly employ more than 100 persons on the work.
- (7) Fines and deductions which may be made from wages : The wages of a worker shall be paid to him without any deduction of any kind except the following.
- (i) (a) Fines
 - (b) Deduction for absence from duty, i.e., from the place where by the terms of his employment he is required to work. The amount of deductions shall be in proportion to the period for which he was absent.
 - (c) Deduction for damage to or lost of goods expressly entrusted to the employed person for custody or for loss of money for which he is required to account where such damages or loss is directly attributable to his neglect or default.
 - (d) Any other deduction which the Board may from time to time allow.
 - (ii) A fine shall be imposed on a worker and no deduction for damages or loss shall be made from his wages until the worker has been given an opportunity of showing cause against such fines or deduction.
 - (iii) The total amount of fines which may be imposed in any one wage period on a worker shall not exceed an amount equal 50% of the wage payable to him in respect of that wages period.
 - (iv) No fine imposed on a worker shall be recovered from him by installment or after the expiry of 60 days from the date on which it was imposed.
8. Register of fines etc.
- (1) The contractors shall maintain a register of fines and of all deductions for damages or loss. Such register shall mention the reason for which fine was imposed or deduction for damage or loss which was made.
 - (2) The contractor shall maintain a list in English and the local Indian language, clearly defining act and omissions for which penalty or fine can be composed. He shall display such list and maintained it in a clear and legible condition in conspicuous place.

FAIR WAGE CLAUSES

Fair Wage Clause : Fair Wage Clause should invariably in all notices and conditions of contract forms used in this Department.

- (a) The contractor shall pay not less than fair wage to labourers engaged by him on the work.

Explanation :

Fair wage means wage whether, for time of piece work notified at the time of inviting tenders for the work and where such wages have not been so notified, the wages prescribed by the public works Deptt. Buildings and Roads Haryana (1) for the district in which the work is done.

- (b) The contractor shall, notwithstanding the provision of any agreement to the contrary cause to be paid fair wage to labourers indirectly engaged on the work, including any labour engaged by the Sub-contractors in connection with the said work, as if the labourers had been directly employed by him.
- (c) In respect to all labour directly or indirectly employed on the work for the performance of the contractor's part of this agreement, the contractor shall comply with or cause to be complied with the Haryana (1) Public Works Department. Contractor's labour Regulations (page to) made by the Govt. from time to time in regard to payments of wages, wage period, deduction from wages, recovery of wages not paid unauthorized made, maintenance of wage register, wages cards, publication of wages and other terms of employment, inspection and submission of periodical returns and all other matters of a like nature.
- (d) The Executive Engineer or the Assistant Engineer concerned shall have the right to deduct from the money due to the contractor any sum required or estimated to be required for making good the loss suffered by a worker or worker by reason of non fulfillment of the conditions of the contract for benefit of the workers, non-payments of wages which are not justified by the terms of contract or for non observance of the regulations referred to in clause (c) above.
- (e) Vis-à-vis Housing Board Haryana the contractor shall primarily be liable for all payments to be made under Haryana for the observance of the regulations aforesaid without prejudice to his right to claim indemnity from his sub-contractors.
- (f) The regulations aforesaid shall be deemed to be a part of this contract and any breach thereof shall be deemed to be breach of this contract.

Part - C Internal Electrical Services

Sr. No.	Qty.	Description	Rate (in ₹)	Unit	HSR/NS
1		Miniature circuit breaker and Isolator			
		Supply and erection of miniature circuit breaker / isolator 240/415 V in the existing distribution board including making necessary connections			
		(a) Miniature Circuit Breakers of 9 K. A. breaking capacity.			
	900 Nos.	i) 6 amp to 32 amp (Single pole)	95.00	Each	31.17 (a) (ii)
	225 Nos.	(iii) 40 Amp to 63 Amp. Single pole with Neutral (SPN)	240.00	Each	31.17(a) (iii)
2		SUPPLY AND ERECTION OF FITTINGS AND ACCESSORIES.			
	225 Nos.	i) Electric Buzzer 220/230 volts A.C. bakelite with double coil.	18.00	Each	31.18 (viii)
	1575 Nos.	ii) Bakelite Angle/Straight button holder large size. (Note Jambo type, no extra payment)	6.20	Each	31.18 (xi)
	450 Nos.	iii) Supply and erection of hexagonal M.S. box 1.60 mm thick having each side 8 cms., 7.5 cm., deep top covered with M.S. lid by means of screws including 10 mm dia. 30 cm. long M.S. rod made into suitable suspension hook and erected in RCC slab for erection of fan the bottom covered with 3 mm thick bakelitelite sheet with suitable holes jointing etc. complete with all labour and material required to complete the jobs in all respect.	26.30	Each	31.18 (xxvi)

3		EARTHING			
	75 Nos.	i) Earthing with G.I. earth pipe 4.5 Mtr. Long and 40 mm dia. With masonry enclosures on the top etc. as required.	378.00	Each	31.22 (i)
	75 Nos.	ii) Extra for using salt and charcoal/coke for pipe earth electrode as required.	125.00	Each	31.22 (ii)
	2250 Mtr.	iii) Providing and laying earth connections from earth electrode with 4 mm dia. G.I. wire in 15 mm dia. G.I. pipe from earth electrode as required.	24.50	Mtr	31.22 (xii)
	450 Mtr.	iv) Providing and fixing 4 mm dia. G.I. wire on surface or in recess for loop earthing as required.	3.40	Mtr	31.22(xvi)
4		WIRES AND CABLES.			
		Supply and erection of PVC unsheathed stranded copper conductor cable single core 1100 volts grade in pipe of suitable size excluding cost and erection of pipe. (Note: If equipment size of multi standard 1100 volts ISI copper conductor is used no extra payment will be made).			
	15000 Mtr.	i) Size 1.50 Sq. mm (3/0.81 mm)	10.20	Mtr	31.40(i)
	225 Mtr.	iii) Size 4.00 Sq. mm (7/0.85 mm)	24.50	Mtr	31.40(iii)
	225 Mtr.	iv) Size 6.00 Sq. mm (7/1.05 mm)	35.60	Mtr	31.40(iv)
5		Supply and erection of double door Sheet Steel enclosure distribution board suitable for MCBs/ELCB etc. recessed in wall including bonding to earth and with all labour and material required to complete the job in all respect upto the entire satisfaction of Engineer-in-Charge of the work.			
	225 Nos.	ii) 8 way, S.P. & N. (Horizontal)	870.00	each	31.41 (ii)

Sr. No.	Qty.	Description	Rate (in ₹)	Unit	HSR/NS
6	450 Nos.	Supply and erection blanking sheet in existing distribution board.	2.25	Each	31.16
7	1575 Mtr.	Supply and erection of PVC pipe ISI marked (Medium) recessed in wall/ceiling etc. including the cost of PVC bends, inspection boxes, iron hooks and cement concrete etc. complete in all respect upto the entire satisfaction of Engineer-in-charge of work. a) PVC pipe of 32 mm dia.	45.00	Mtr.	31.58 (a)
8	225 Nos.	Supply and erection of double pole /four pole residual current circuit breaker (RCCB/ELCB) suitable for operation on 240/415volt,50Hz AC supply installed in existing sheet steel enclosures including making necessary connection and bonding to earth with all labour and material required to complete the job in all respect upto the entire satisfaction of the Engineer-in-charge of the work ii) 40 Amp 240 volt Double Pole ELCB with 100 m A sensitivity.	1330.00	Each	31.42(viii)
9	5625 Mtr.	Supply and erection of PVC conduit pipe ISI marked (medium) recessed in walls/ceiling etc. including cost of PVC bands, inspection box and all other material required to complete the job in all respect upto the entire satisfaction of the Engineer-in-Charge of work. i) 20 mm dia.	31.00	Mtr	31.44(a)
	450 Mtr.	ii) 25 mm dia.	37.00	Mtr	31.44(b)

10		PVC INSULATED WIRING IN RECESSED PVC CONDUIT			
		Wiring in 1.5 sq.mm (22/0.30MM) PVC insulated ISI, 1100 V grade copper conductor multi standard cable as per IS 694 in rigid PVC conduit pipe ISI (Medium) IS 9537, PVC bends and MS circular inspection box of required size with MS boxes modular type, Zink coated 18 gauge sheet as per relevant IS code including ISI electronic step type (two module) fan regulator, switches, sockets, MS, junction boxes and covered with 3mm thick bakelite ISI sheet with brass screws/washers and refilling the chases including the cost of cable, PVC pipe, PVC bend sheets Paino type switch, ceiling rose, electronic step type (two module) fan regulator, socket & cutting and filling the chases.			
		A) Fan Point			
	225 Nos.	Short point	695	Each	N.S.
	225 Nos.	Medium point	840	Each	N.S.
	0	Long point	1005	Each	N.S.
		B) LIGHT POINT			
	750 Nos.	Short point	305	Each	N.S.
	750 Nos.	Medium point	440	Each	N.S.
	750 Nos.	Long point	600	Each	N.S.
		C) TWIN CONTROL LIGHT POINT			
	150 Nos.	Short point	335	Each	N.S.
	0	Medium point	440	Each	N.S.
	150 Nos.	Long point	700	Each	N.S.

		D) CALL BELL POINT			
	225 Nos.	Long point	685	Each	N.S.
		E) 3 PIN 5 AMP PLUG POINT WITH EARTHING THE 3rd PIN etc. with 0.75 Sq. mm. (24/0.20 copper cable)			
	900 Nos.	Short point	360	Each	N.S.
	225 Nos.	Medium point	500	Each	N.S.
	225 Nos.	Long point	665	Each	N.S.
		F) 3/5 PIN 10/15 AMP WALL SOCKET POINT IN 4 Sq. mm. PVC INSULATED COPPER CONDUCTOR CABLE INCLUDING EARTHING THE 3rd PIN WITH 1.50 Sq.mm (22/0.30) copper cable			
	0	Medium point	730	Each	N.S.
	225 Nos.	Long point	995	Each	N.S.
